Factory brief introduction

Shen Zhen Xgear Technology Co.,Ltd was founded in 2010. 赛鲸XGEAR is our chinese brand and ranks the top in China market. We can accept OEM & ODM service for overseas market. Dong Guan Yi Zhi Digital Technology Co.,Ltd is our 100% ownowned factory.We focus on designing & manufacturing mobile phone & tablet accessories , laptop stand and all kinds of desk riser & bed tray used in home and workspace for enjoyable & ergonomic life. With more self-developed designs and private molding for you to choose, we release at least 3 new products every year to meet the latest market trends. With our rich experience and considerate services, we have been recognized as a reliable supplier and professional partner.

R & D Ability

We operate our in-house tooling / molding facilities to work on products developed by ourself and your OEM & ODM projects. Our experienced engineers are adept in using software such as AI, CAD,Pro/Engineer AI, CAD, Pro/E to ensure us meet your special OEM/ODM requirements. With a production capacity of 50k units per month, We can fill your orders according to your requirements.

Strict Quality Control for high quality

To ensure quality, we carry out strict inspections at each stage: Incoming Inspection(IQC), in-process inspection(IPQC) and final inspection(FQC), we also introduce various testing equipment which allow us to guarantee that products can meet international industry standards.
